

Welcome to the SAMS Prayer Line for the week commencing Tuesday 6 May.

Pentecost weekend sees a number of special events:

- In Asunción, Paraguay, another Marriage Encounter takes place coordinated by **Pastor Jorge & Rebeca Arévalos**. Please pray for God to work through them and the team of leaders to strengthen, heal and renew marriages.
- In Spain, the Diocesan Women's retreat is held in Zaragoza, organised by the ladies of **Sue Woodcock's** church in Sabadell under the theme of *Living Water*. Pray for God to refresh and encourage all who attend.
- The congregations of the indigenous Toba people of Northern Argentina gather for a conference, with retired bishop **David Leake** one of the speakers. Pray this event will strengthen the Toba churches in discipleship.

On Friday (9th) Latin Partner **Josias de Souza** and a colleague begin a ten-day visit to the USA to attend a 'Purpose Driven Church' conference in Virginia. Pray for their travel, the impact of the event on them and subsequently on their church in Recife, Brazil.

Last but by no means least, key meetings take place next Tuesday and Wednesday (13-14) in Buenos Aires between the bishops of the Southern Cone and representatives of SAMS and CMS. The SAMS representatives are **John Sutton**, already in South America, and Chairman **Patrick Coghlan** who flies out on Thursday (8th). Pray for these highly significant talks which will consider the future direction of SAMS.
